

DOI Work Activity 2L: Inspect and Verify Non-Energy Compliance Mineral Production

Program Area:	Resource Use – NON-ENERGY MINERALS
End Outcome Goal:	UEO 3 – LAND-RELATED RESOURCES – Manage or Influence Resource Use to Enhance Public Benefit, Responsible Development, and Economic Value
Intermediate Outcome:	This activity does not align to an intermediate outcome
DOI Sub process:	4b – Conduct inspections to ensure appropriate use

Examples/Notes: This activity applies only to BLM

Work Activity Description: Inspection functions involve monitoring actions from authorizations through completion of a project. Inspections also include all work with authorized users to correct operations which violate use stipulations and/or conditions of approval as well as other post-permit actions. This activity includes all work associated with conducting inspections and production verification mineral material disposals only. Inspection and production verification shall be conducted consistent with existing manuals, handbooks and other guidance.

Coal, non-energy and Indian sand and gravel inspections and production verifications should be coded to DOI Work Activity 2M - Inspect and Verify Production at Solid Mineral Sites – Non-Energy.

Output: Inspection and production verification reports completed	Unit of Measure: Number of inspection and production verification reports completed. Compliance consists of inspection and production verification actions that occur after permit issuance. This workload measure includes compliance for mineral materials activities only. This workload measure also includes the identification of activities that are in non-compliance. Field Offices will enter inspection and production verification information in accordance with data standards as inspections and verification are completed. Data will be retrieved by the State Offices and, nationally, by the program office using case types, action codes & standard LR2000 reporting, and ALIS for Alaska data.
Inputs:	Cost Drivers:

System Interfaces: LR2000 and ALIS for Alaska data.

Case type/Action Code thea will be used for counting accomplishments are:
Case types:3602XX, 3604XX, 3605XX, 361XXX, 362XXX
Action Code: 041
